

## Conference “Renewable Energy and Photovoltaics in Lithuania and in the World”

September 19<sup>th</sup>, 2013

Seimas of Republic of Lithuania  
 Gedimino av. 53, Vilnius, Lithuania

### PROGRAMME

9.00	Registration
10.00	Conference Opening by Kęstutis Daukšys, Chair of Energy Commission of the Seimas. Welcome speech – Paulius Saudargas, Member of the Seimas, Renata Cytacka, Vice-minister of Ministry of Energy
<b>Session “Renewable energy in the world“</b> Conference hall (III building )	
Moderator: Prof. habil dr. S.R. Petrikis, President of Photovoltaic Technology and business association	
10.20	Key facts on energy in Europe and policies for renewables and photovoltaics, Mr. Pietro Menna, European Commission, Directorate General for Energy, Belgium
11.00	Current world-wide photovoltaic status and development trends – Alexandre Roesch, European Photovoltaic Industry Association, Head of Regulatory Affairs, Belgium
11.40	Perspectives of renewable energy in Lithuania – Gediminas Onaitis, Head of RES and Energy efficiency division, Ministry of Energy of Lithuania
12.00	Danish experience in management of renewable resources. Martin Lidegaard, Minister of Climate, Energy and Building of the Kingdom of Denmark
12.30 Lunch break	
<b>Session “Perspectives for development of Lithuanian Photovoltaic sector”</b> European Information Office of the Seimas	
Moderator: Prof. habil. dr. V. Jankauskas, Deputy Director General of Lithuanian Confederation of Industrialists, former Chairman of the National control commission for prices and energy	
14.00	Main findings of the Photovoltaic Foresight Study – Dr. B. Wafer, Managing Director of CIRCA Group Europe Ltd., Ireland
14.30	Lithuanian Photovoltaic cluster and strategic plans for PV sector development in Lithuania – prof. habil. dr A. Galdikas, Director of Applied Research Institute for Prospective Technologies
15.00	Current situation of global and national PV module market – Tomas Barakauskas, Director General of MG AB „Precizika“ – Tomas Barakauskas, MG AB „Precizika“
15.10	Current situation of global and national solar cells market – Vidmantas Janulevičius, Director of BOD Group
15.20	Solar energy future in Lithuania: development strategies and opportunities – Vitas Mačiulis, President of Lithuania solar energy association
15.30	Round table discussion on perspectives for development of Lithuanian Photovoltaic sector
16.30	Summary and closure of the conference Prof. habil dr. S.R. Petrikis, President of Photovoltaic Technology and business association
<b>Conference language: Lithuanian and English (simultaneous translation)</b>	

*This conference is organised in the frame of project “Photovoltaic technologies for business (PV4B)”, Contract no. VP2-1.4-ŪM-01-K-01-002 funded from European Regional Development fund.*
